Skyway Resource Center

A HUD EnVision Center

Quarterly Report

Q4 - 2021

July 1 - Oct 31, 2021

About Us

The Skyway Resource Center is a free a drive through multi-service center that offers free resources to families that reside in Skyway/West Hill and in the Renton Highlands communities.

On a bi-weekly basis, the Skyway Resource Center acts like a "pop-up" event and consists of providing tangible resources to meet the basic needs of the community. During each event, community based organizations and volunteers provide families with an array of free necessities, community connections and materials for individuals of all ages.
